

Beth Perry

I really call The Children's Center my second home. I feel so lucky to have found an amazing place to work, a wonderful place to be each day and a wonderful atmosphere filled with fabulous kids, teachers, and parents. I started here in 1997 and worked as a Group Leader with the 2<sup>nd</sup> -5<sup>th</sup> graders. I became a Site Coordinator for the 2<sup>nd</sup> -5<sup>th</sup> grade program in 2003. This is my first year as the Director of The Children's Center and I absolutely love it now as I work through each new adventure and learning experience. I am going on my 18<sup>th</sup> year with The Children's Center! I have a dual B.S. in Marine Biology and Environmental Science from Roger Williams University and received my Post Baccalaureate of Education from Framingham State University. When I am not at C.C.W. you can find me with my fantastic kids Garrett, 13 and Charlotte, 9 and my fantastic husband Dave, whom I met in High School. I enjoy the beaches of OBX (The Outer Banks, NC), collecting sand at beaches every place I visit, running 5k's, cheering on my children on and off the fields, being with friends and family and chillaxin' any time the moment presents.
