

Dale Hoffmann

Hi, my name is Dale Hoffmann and this is my tenth year at C.C.W. My degree is in Elementary Education from Green Mountain College. I am the Coordinator for the second and third grade program at Woodland School. I feel fortunate to work with such wonderful students and teachers. I am especially thrilled to have Caitlin Murray as part of the C.C.W. team! We taught nursery school together for the last nine years. I have two stellar children: Phoebe 17 and Louis 14. I love hiking in Vermont and the beach!
