

Debbie Morris

Hi, my name is Debbie Morris. This is my 23<sup>rd</sup> year working at CCW and my 18<sup>th</sup> year as the K-1 Coordinator/Assistant Director. I also work as a Kindergarten Inclusion Tutor for the Weston Public Schools in the morning. I have a B.S. in Elementary Education from Fitchburg State University. While studying at school, I became a founding sister of the Zeta Rho Chapter of Phi Sigma Sigma Sorority. We were the first Greek organization to be recognized and installed on the campus! Working with children is an absolute joy for me, but in my spare time I'm either at the mall, cooking for my family, or vacationing on the beautiful beaches of Naples, Florida with my husband.
