

Melissa Roberts

I attended NYU Tisch School of the Arts and received a BFA in Film/TV Production and a MFA in Screenwriting from the American Film Institute in Los Angeles, CA. From 1997-2001, I was an art teacher at the Silvermine Art Guild in Norwalk, CT. From 2007 to present I have been working as the lead Naturalist, Office Manager, and Program Manager at Puddlestompers Nature Exploration. I love teaching and connecting children with nature. In my free time I love nothing more than to hike throughout New England, write children's stories, watch movies with my husband, and to cook with my family.
