

Michael Cadman

Hi! My name is Mike Cadman and I have been working at CCW for 2 years now. I was born and raised in the Boston area. I graduated from Keene State College with a degree in Sociology while focusing on Childhood Development. I have been working with children of all ages for many years now. I started working at the Fessenden Day Camp at the age of 13 and still currently work there as the Sports Specialist and Assistant Director of the After-Care program. I love all sports but my passion is basketball. I coach, play and referee. Oh yeah, I also love all Boston sports. BOSTON STRONG! I look forward to working and meeting all the children and families of CCW. If you have any questions, please don't be a stranger.
